<https://github.com/mashaamacharia/Craftsmancode>

<https://github.com/mashaamacharia/Java>

<https://github.com/mashaamacharia/C-code>

Experience

I have worked at KenGen central office Nairobi for 4 months during my time there I have gained a pool of skills which include

- Application development
- Networking and telecommunication
- ICT service desk and support

- System Administration

During my time there I created a inventory system which could be used to help in the issuance of laptops, Pads and Cisco phones I have deployed some of the static files on GitHub pages.
